

GLOHRA Day 2022

Date and Place

Saturday, 15 October 2022, 10:30 - ca. 21:00
KOSMOS, Karl-Marx-Allee 131A, 10243 Berlin, Germany

Aims

GLOHRA Day 2022 is the annual symposium of the German Alliance for Global Health Research. The intention is to facilitate exchange and knowledge sharing on the research and policy that is interesting for global health research. All GLOHRA members from all disciplines and career stages are warmly invited.

To encourage networking and strengthen Global Health synergies on a larger scale, GLOHRA Day will run in parallel with the “1st International Conference of Hospital Partnerships - Resilience & Solidarity in Times of Crisis” by GIZ on behalf of the Federal Ministry for Economic Cooperation and Development. The “Research meets Implementation” session will be jointly organized by GLOHRA and Hospital Partnerships. Lunch and coffee breaks and an evening reception will offer additional in-person networking opportunities for participants of both conferences.
